

## Outstanding Contribution to the Community Award

We are looking for an organization who works hard and well to improve the quality of life of the community as a whole. They might be a group who's always there and willing to do whatever has to be done to keep things going. Whatever they do, they think of the community before themselves: they're committed to making things better for everyone. They rarely think of what they do as being unusual or praiseworthy. It's just part of their definition of being good citizens.
